CASE Non-Discrimination/Affirmative Action Resolution

The Connecticut Academy of Science and Engineering adopted as its policy to support the nondiscrimination agreements and warranties required under Connecticut General Statute § 4a-60(a)(1) and § 4a-60a(a)(1), as amended in State of Connecticut Public Act 07-245 and sections 9(a)(1) and 10(a)(1) of Public Act 07-142.

The policy includes a commitment by CASE to take affirmative action to insure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved.
