Election to the Academy is on the basis of scientific and engineering distinction achieved through significant contributions in theory or applications, as demonstrated by original published books and papers, patents, the pioneering of new and developing fields and innovative products, outstanding leadership of nationally recognized technical teams, and external professional awards in recognition of scientific and engineering excellence. By statute, the Academy's membership is limited to 200 individuals.

The following officers of the Academy were also elected and will serve two-year terms from 2004-2006:

President: Michael J. Werle, TEaMS, Inc.
Vice- President/President-Elect: Alan C. Eckbreth, UTC (ret.)
Treasurer: Peter G. Cable, BBN Systems and Technologies
Secretary: Gale F. Hoffnagle, TRC Companies, Inc.
Past President: John P. Cagnetta, Northeast Utilities (ret.)

The Connecticut Academy of Science and Engineering was chartered by the Connecticut General Assembly in 1976 to provide expert guidance on science and technology to the people and to the state of Connecticut, and to promote the application of science and technology to human welfare and economic well being. For more information about the Academy, please see www.ctcase.org.
