**FOR IMMEDIATE RELEASE:**

March 5, 2012

## Call for Connecticut Medal of Technology Nominations

In 2012, the Governor will award the Connecticut Medal of Technology, Connecticut's highest honor for technological achievement in fields crucial to Connecticut's economic competitiveness. Modeled after the National Medal of Technology and Innovation, the Connecticut Medal of Technology recognizes extraordinary achievements in the development and widespread implementation of technology in one or more of these areas: process and/or product innovation; technology transfer; advanced manufacturing, and technology management. The award is bestowed in alternate years with the Connecticut Medal of Science.

*As directed by State Statute, selection of the annual Medalist is conducted by the Office of Financial and Academic Affairs for Higher Education with the assistance of the Connecticut Academy of Science and Engineering. All Medal recipients will be permanently featured in a Hall of Fame at the Connecticut Science Center.*

**The Nomination Form is available at: <http://www.ctohe.org/MOST/Default.shtml>. Nominations should be submitted electronically and are due by **March 28, 2012**.**

Your assistance in publicizing the "CALL FOR NOMINATIONS" would be greatly appreciated.

PLEASE DISTRIBUTE TO OTHERS AT YOUR EARLIEST CONVENIENCE.
