Connecticut Medal of Science

For your information and assistance in publicizing/distributing.

In 2023, the **Connecticut Medal of Science**, Connecticut's highest honor for scientific achievement in fields crucial to Connecticut's economic competitiveness and social well-being, will be awarded.

The 2023 Medal will recognize one individual who has made extraordinary contributions to the advancement of science in Connecticut. For this competition, science spans the physical and biological disciplines as well as mathematics, engineering and the social and behavioral sciences. Modeled after the National Medal of Science, the award is bestowed in alternate years with the Connecticut Medal of Technology.

Selection of the Medalist is overseen by the Connecticut Academy of Science and Engineering.
