For your information and assistance in publicizing/distributing.

East Hartford, CT — In 2025, the Connecticut Medal of Science, Connecticut's highest honor for scientific achievement in fields crucial to Connecticut's economic competitiveness and social well-being, will be awarded.

The 2025 Medal of Science recognizes one individual who has made extraordinary contributions to the advancement of science in Connecticut. For the purpose of this award, science spans across the physical and biological disciplines, as well as mathematics, engineering, and the social and behavioral sciences.

Modeled after the National Medal of Science, the award is bestowed in alternate years with the Connecticut Medal of Technology.

Selection of the Medalist is overseen by the Connecticut Academy of Science and Engineering.
